

COVID-19 Safety Plan

Not for Profit Club

Club name: VICTORIAN QUARTERSCALE SPEEDWAY INC.
 Plan completed by: DEAN ROGERS - CLUB PRESIDENT

REQUIREMENTS FOR PARTICIPATION

Requirements for participation and the actions we have put in place to keep our members and visitors safe.

Wellbeing of Members and Visitors	
Exclude members who are unwell from participating in events.	Members are advised not to attend racing when feeling unwell - refer Infectious Disease Policy Visitors should not attend premises if feeling unwell or displaying symptoms of COVID-19.
Provide members with information and training on COVID-19, including when to get tested, physical distancing and cleaning.	Members are issued with our infectious disease policy which includes all relevant information. Where practicable it's displayed in a visible area.
Have a protocol in place for when a member becomes unwell whilst racing.	Refer to Infectious Disease Policy and COVID-19 Emergency Procedures
Physical Distancing	
Reduce contact with other people wherever possible while racing. Implement single pitting areas wherever possible. Or have members of the same family pit together.	Members to be notified of this new pitting arrangement, if practicable. Set a max number of people in pit areas and ensure everyone is educated around the policy.
Take steps to ensure members maintain physical distancing from visitors where practical, including at lunch and dinner times.	Drivers are advised to ensure they maintain, where practicable, the minimum 1.5 m from all personnel. Refer to Infectious Disease Policy regarding sharing items.
Instruct members that the only time they should be even remotely close to another individual is on the drivers stand whilst racing.	Drivers to be notified at each drivers briefing. These briefings to be less than 15 mins in length, and all members to social distance.
Hygiene and Cleaning	
Adopt good hand hygiene practices. Ensure members and visitors have hand sanitiser available.	Implemented. Refer Infectious Disease Policy for more information.
Masks are always to be worn whilst at the facility with the exception when eating or drinking.	As per current Victorian Regulations regarding the wearing of masks.
Record Keeping	
Keep a record or log of all race meetings, including practice days, for at least 28 days.	Refer to COVID-19 close contact list for dates.
Make members aware of the COVID Safe app and its benefits to support contact tracing if required.	Members have been advised and encouraged to download app
Cooperate with Interstate Health Authorities if contacted in relation to a positive case of COVID-19 at your track, if racing interstate or have interstate visitors.	Documented in Infectious Disease Policy. Refer COVID-19 Emergency Procedures
